

Food Establishment Endorsements Guideline

(Revised 05/21/2007)

Each license type can and should have multiple endorsements, if applicable to the establishment. Separate licenses are required for Food Retail, Temporary Food, and Food Wholesale.

NOTE: If an establishment is selling only 'prepackaged non-perishable foods' and is not a warehouse, no license is required.

Food Retail License Endorsements

- F1** ***Food Service Establishment:*** Full service restaurants, establishments preparing and serving foods with a sit-down capacity. Grocery stores and other establishments that have seating for their deli's or coffee bars, or a cappuccino machine.
- F2** ***Tavern or Bar:*** Establishment serving alcohol (full bar or beer/wine licenses) for on-premise consumption.
- F3** ***Meat Market (Onsite retail only):*** Retail meat department or shop that cuts or grinds meat for retail sale.
- F4** ***Bakery (Onsite retail only):*** A grocery store with a bakery department or an establishment that functions include bakery.
- F6** ***Food Manufacturing (Onsite retail, Take out):*** An establishment that provides manufacturing for retail (i.e. ice, pizza, salsa), delivery service and take out only.
- F7** ***Mobile Food Service:*** Carts, trailers, etc. operating with a designated commissary or are fully self-contained.
- F8** ***Water Hauler:*** An establishment that hauls water to provide for the needs of the establishment.
- F9** ***Perishable Food Dealer (Retail only):*** Convenience stores, drug stores, or grocery stores with no seating capacity that sells milk, etc. or has a soda fountain, hot holding machines for PHF's, or serves soup. Delivery services that transport prepackaged perishable foods (ie. Café Courier).
- F10** ***Food Service/Catering (Retail):*** Establishments that deliver a product and/or provide on-site food preparation service bringing prepared items from their licensed location.
- F11** ***Food Service/Delicatessen (Onsite retail):*** Grocery stores with a deli department that provides a take-out service with or without seating. Items served are ready to eat sandwiches, salads and traditional picnic foods. (e.g. chicken, potatoes, ribs.)
- F12** ***Produce (Onsite retail only):*** Any retail establishment or foodliner that cuts, slices, or otherwise processes fresh fruits and vegetables.

Temporary Food Establishment License Endorsement

- F5** *Temporary Food Service:* Any establishment (that wants to operate greater than one block (GCCHD interpretation) from their normal place of operation) or organization providing food to the public (free or for a fee), operating <14 consecutive days or in conjunction with any one event (GCCHD interpretation). This does not apply to licensed establishment with a valid F7 or F10 endorsement.

Food Wholesale License Endorsements

Product code(s), which are defined on the back of the application form, must be associated with the endorsement.

- M13** *Food Manufacturer (Wholesale, Off site):* An establishment that produces a product for off premise retail sale by other licensed establishments.
- M14** *Perishable Food Vending (All):* An establishment that has or services machines that vends potentially hazardous foods. (e.g. sandwiches, soups, micro-wave hamburgers, etc.)
- M15** *Food Salvage/Reconditioning:* Sale of products that have been reclaimed and inspected to be salvage. (i.e. dented cans, etc.)
- M16** *Bottled Water, Beverage Manufacturing:* Any facility bottling and sealing containers of water or other beverages for off-premise consumption. (e.g. Coca-Cola®, Pepsi)
- M17** *Fish/Seafood Processor (Wholesale):* A seafood facility that processes or slices the fish in some way. (e.g. Western States Seafood)
- M18** *Repacking Only (Re-packaging non-perishables):* Establishments that take a bulk food product and repack it into smaller portions. (e.g. Safe Trek)
- M20** *Food Supplement Manufacturer (Wholesale):* A facility that produces ingredient(s) used to produce other manufactured goods.
- M21** *Food Warehouse/Frozen Food Plant:* Warehouses and cold storage units (if the storage units are used by commercial establishments).
- M23** *Bakery (Wholesale, Off site):* Plants producing baked goods for off-site sale & consumption.
- M30** *Non-Prescription Drug Manufacturer:* A facility that processes over the counter medications – FDA approval required.
